

## *Who We Are...*

The Kansas Manufactured Housing Association (KMHA) is a non-profit organization working on behalf of the factory built housing industry.

Governed by its twenty-one member Board of Directors, KMHA's mission is to promote and sustain an environment in which our industry products and services are preferred choices.

Located in Topeka, Kansas, KMHA works to promote fair laws and regulations, works to increase a positive image of factory built housing, helps to remove zoning barriers and promotes industry professionalism.

KMHA's staff insures that the voice of factory built housing is heard in the State government. Constant monitoring of the legislature helps keep members informed of issues concerning the factory built housing in Kansas.
